

special olympics **young athlete** program

Sports Skills Activities for Future Athletes Ages 2 1/2 - 7

The innovative Special Olympics Young Athlete Program (YAP) invites you to a Young Athletes Program workshop at the Wildwood Convention Center Saturday, March 27th.

The Young Athlete Program was created in consultation with the University of Medicine and Dentistry of New Jersey, to meet the physical and developmental needs of children with intellectual disabilities, ages 2 ½ to 7, in the areas of physical activity and play, with an emphasis on sports skill development.

The activities presented in the program are designed to develop the fundamental prerequisite skills to prepare athletes for future participation in sports.

Parents/Caregivers attend with the Young Athlete. Siblings are welcome to participate. We encourage you to join us and stay for a while to learn more about SONJ (all ages) and to watch some of the Special Olympics New Jersey spring sports.

*This Event is Free of Charge
All participants must participate with
a parent or caregiver & be registered
or register on site for the free SONJ
Young Athletes Program.*
