Re: Updates, Summer Games

Scratch Fee: All scratches must be submitted to the Special Olympics office by 5pm Friday, June 4th. If a program has any scratches after this date the LTP will be charged a scratch fee. The scratch fee will be the cost of housing and meals. Failure to pay the scratch fee will jeopardize future participation of the program.

Housing and Meals: Construction will once again be taking place on the dining halls and some residence halls. Like 2009 a modified meal plan will once again be used. Once confirmed with dining services we will be distributing the meal plan for these games. The number of individuals housed at TCNJ will be remaining the same therefore we may have to use additional housing at Rider such was the case in 2009.

Gymnastics- Is moving off campus to Envisions Gym. Information will follow on transportation and schedule for those athletes.

Trenton Thunder Game- Once confirmed information will be provided as to availability of game.
