

I am a Guardian of the Flame for Special Olympics New Jersey.

Did I get your attention?

You heard me correctly...I plan to participate in this year's Law Enforcement Torch Run for Special Olympics New Jersey. While I'm excited to Run, I'm also pumped to be able to support a cause I care about.

Your support is crucial now more than ever as athletes get back on track, back to activity, and back on top of their game! You can make a difference by making a tax-deductible charitable contribution to my Torch Run campaign.

Check out my personal fundraising page (click the link below) to make your donation.
