

I am a Guardian of the Flame for Special Olympics New Jersey.

Did I get your attention?

You heard me correctly...I plan to participate in this year's 41st Annual Law Enforcement Torch Run for Special Olympics New Jersey. While I'm excited to Run, I'm also pumped to be able to support a cause I care about celebrating a milestone achievement.

Your support is crucial now more than ever as we look to support future generations of athletes who will experience the joy of sports and competition, build confidence and courage, and foster lasting friendships. You can make a difference by making a tax-deductible charitable contribution to my Torch Run campaign.

Check out my personal fundraising page (click the link below) to make your donation.
